## It's fizzy and fun and educational, too.

**Bubbles** is a dynamic summer enrichment program in visual arts, movement and creative drama, designed specifically for children ages 5-6.

This active and child-centered program affirms the artistic expression of young children and promotes their individual development through quality arts education.

The program meets twice a week for three weeks. At the beginning of each Bubbles session, children gather together for a story-weaving activity. Then they enjoy two 40 minute workshops - one in art, one in movement and creative drama.

**Bubbles** concludes with an open studio sharing of participants' work for family and friends.

This is not a school sponsored activity and the Madison Metropolitan School District does not approve, support, supervise or endorse this program/activity.

Esta no es una actividad patrocinada por la escuela y el Distrito Escolar Metropolitano de Madison no aprueba, respalda, o supervisa este programa o actividad.
